## CRAB

### PEPPER CRAB

Black Pepper has been the true “King of spice” of Sri Lanka for centuries, since red chili was not native to the island. This signature dish is made using peppercorns that are hand crushed and rolled on a ‘miris gala’ (traditional grinding stone), whole peppercorns and a black pepper dashi.

### CHILLI CRAB

The dish that gave mud crabs the iconic status they enjoy in Southeast Asia. Our version is created with Dharshan’s original recipe that uses the fiery red chillies of Sri Lanka, adding warmth, sweetness and incredible depth of flavour to the dish.

Please note: Availability of Crab sizes depends on the weather gods and other factors. We apologize in advance if the size of Crab you want is not available.
